01 ABOUT EXPATICA

We have been known to give investors the better choice.

With over 153,000 investments under our management, \$5 billion+ in assets under our administration, and multiple industry recognitions, we have made Expatica the safe haven for investors who want to trust their financial partner to help them reach their financial goals — in due time, without the fear of disappointment.

Expatica is a premium digital banking and investment platform that unifies everyday money management, lending, savings, curated investment packages, virtual cards, cryptocurrency deposits, and global transfers in one secure experience. We serve individuals and businesses who want transparent fees, fast decisions, and modern financial tools without visiting a branch.

The platform operates under Expatica Financial Services Ltd., with presence in New York, London, and Singapore. This framework supports transparency, accountability, and trust across all client interactions. Established in 2000, Expatica continues to evolve with technology while keeping client outcomes at the center of every product.

TECHNOLOGY

We constantly improve our application with the latest trends and solutions. Our ambition is to make Expatica one of the most reliable and functional platforms on the market.

TRUST

Years of activity and a growing global client base have earned Expatica trust worldwide. Your investments are managed with strong operational controls and clear processes.

SUPPORT

We help clients become better investors. Our support team and educational resources serve both beginners and experienced investors.

Our Mission

We believe everyone deserves access to world-class financial tools without complexity. Our mission is to make saving, borrowing, transferring, and growing wealth simple, transparent, and accessible from anywhere in the world.

02 TECHNOLOGY · TRUST · SUPPORT

TECHNOLOGY ADVANCEMENT

Nowadays, technology is one of the most important elements of investing and finance. We know that — that is why we constantly improve our trading and banking application in accordance with the latest trends and solutions. Our ambition is to make Expatica one of the most reliable and functional platforms on the market, combining digital wallets, loans, investments, virtual cards, crypto deposits, and global transfers.

TRUSTWORTHINESS

Over years of activity in the financial markets, we have earned the trust of over 153,000 customers around the world. Your investments are safe with us — we operate with strong supervision standards and clear compliance controls. Established in 2000, Expatica continues to build long-term confidence through transparent package terms and consistent client service.

SUPPORTIVE SERVICE

We are here to help our clients become better investors. That is why our experienced customer service team works to support you through the platform journey, and our library of educational materials contains guides suitable for both beginners and experienced investors. For how to register or navigate the dashboard, refer to the Expatica web guide on expaticaonline.com.

03 EXP INVESTMENT PORTFOLIO EXPLAINED

You are presented with the Expatica Investment Portfolio page once you are logged into your account and click the “Investments” option.

The Expatica Investment Portfolio comprises several packages which are carefully customized by Expatica. Featured plans include Starter Savings, Weekly Flex, Quick Returns, Fixed Income 30, Monthly Growth Plan, Premium Quarterly, ROI Only 60 Days, Bi-Annual Elite, High Yield Annual, and Diamond VIP — with additional options available in your dashboard as the platform expands.

Most packages listed in this document are featured packages as shown on the platform. These portfolios were specifically designed with our shareholders and potential clients at heart — simple to navigate, clear in terms, and user friendly.

How to invest on the platform

- 1 Log in to your Expatica account and open Investments.
- 2 Review each package: duration, minimum, maximum, return, and capital rules.
- 3 Click Invest on your chosen plan.
- 4 Confirm the amount and complete funding using the payment method shown.
- 5 Track your active investment and returns from your dashboard.

Note: Returns shown on packages are period returns for the stated duration of each plan (not necessarily annualized APY). Always read the plan terms before investing. For navigation help, refer to the Expatica web guide on expaticaonline.com.

06 WHY YOU SHOULD TRUST US

Being in the brokerage and investments space for years, there are clear reasons Expatica stands out. We have proven our capabilities by building a sustainable investment portfolio experience that continues to attract recognition in the international finance community.

By supporting modern funding methods — including cryptocurrencies and digital assets in eligible regions — we have built a functional system designed to process investments clearly and deliver returns according to each package's published terms. Our goal remains consistent: a self-sufficient platform that stands behind the ROI expectations presented to shareholders and clients.

CLEAR ROI TERMS

Every featured package shows duration, amount range, and return rules before you invest.

GLOBAL PRESENCE

New York · London · Singapore — built for clients worldwide.

SECURE PLATFORM

Bank-grade encryption, verification, and transaction PIN protection.

MODERN FUNDING

Bank transfers and crypto deposits supported for flexible funding.

All these strengths contribute to why Expatica is trusted — combining digital banking convenience with clear investment packages, strong operational discipline, and client-first support.

07 OUR INSURANCE POLICY

Considering the quality of financial and investment services we offer at Expatica, we recognize the necessity of protecting user accounts with recognized financial safeguards and internal controls. This approach is strategic — to support indemnity and continuity in the event of operational mishap or account jeopardy, within the scope of applicable policies and regulations.

For any other information on our firm and mode of operation, as well as a guide through our platform, please visit the Legal pages on our website. Documents can also be requested through official Expatica outlets and will be made available once the request is processed.

On this same hand, do not hesitate to make your complaint regarding our services as demanded and directed in our Complaint Handling Policy.

We wish you a fruitful investment period with us!
